

## September 2020 Newsletter

Thank you NSLS Inductees for coming to our first two live orientation events. We had a great turnout at both events. Do not worry if you missed them because we posted a makeup orientation video on our website that everyone will be able to receive credit for. The next steps for everyone would be to sign up for a Success Networking Team. I hope everyone had a great Labor Day weekend and comes back we rested. Our first general meeting will be held September 8<sup>th</sup>, 2020 from 12-12:45pm. Follow NSLS on MyBar and download our calendar to keep track of our events each month. [NSLS MyBar](#). This month we have our three Leadership Training Days on September 15<sup>th</sup>, 18<sup>th</sup>, and 25<sup>th</sup>. Make sure to attend one of the days because we do not offer any makeup dates. Do not forget that registration is due by September 18<sup>th</sup>, 2020.

There will be live events for all our Induction Steps besides Social Networking Team (SNT) meetings; please check out our calendar for the dates of the events at our website under the “Calendar” tab or use QR code below: [CPP NSLS Website](#). However, as a chapter we understand that during these difficult times you might not be able to attend a live event, but we highly encourage you join us as it can be beneficial to socially interact with your peers. If you are not available during the time of our live events, we are now offering make-up events for Orientation and Speaker Broadcasts— to find out more information please use our website and locate the “Induction Steps” tab: [CPP NSLS Website](#). Here you can find out how you can complete your Orientation or Speaker Broadcast induction steps. If you need to complete your SNT Induction Step you can do that virtually using zoom, facetime, or any other virtual format to meet with your group. Please sign-up for a SNT group using the google form located on our website under the “Induction Steps” tab → “SNT” sub-tab: [CPP NSLS Website](#). This form will be used by our SNT Coordinator William McKinney to form groups based on the times you provide available. Any NSLS member can join an SNT group, but we encourage those who have not finished this induction step to participate.

We want to thank you for your understanding in our transition to virtual format. Please be patient with the transition. As an Executive Board we want to make sure you feel supported by our CPP NSLS chapter. So please feel free to contact any of the Advisors or Executive Board members at any time. Our team is excited and looking forward to the great opportunity of serving you this Fall 2020 Semester.
